

Online Safety is about Behaving Appropriately

Device, Social Media, App & Gaming Mantra

01 

1. Technology is a privilege not a right

02 

2. Technology is a tool not and end point

03 

3. Your digital tattoo begins at birth

04 

4. Privacy doesn't exist on the Internet

05 

5. The delete key should be renamed the archive

06 

6. Be kind online and an upstander, not a bystander

07 

7. Don't share passwords or personal information

08 

8. Get permission to join or download new games or social media sites

09 

9. Limit technology in the bedroom and don't sleep with phone. Create tech-free family times

10 

10. Your digital identity should reflect your true identity

Social Media
Engagement, ROI, SEO, Digital, Audience, Facebook, YouTube, Content, Marketing, Networking, Digg, Friend, Like, Pinterest, Tools, HootSuite, Instagram, LinkedIn, Google+, Tweet, Share, Twitter, Optimization
