

Online Safety for DSL's, Teachers & LSA's

Besafe Online UK

This Online Safety Webinar for Staff is the most up to date, relevant and available course that International & UK National Teaching Staff can access. This webinar will allow all School Staff to participate lasting for approx. 50 minutes. I have previously written Online Courses and have deliberately designed this Online Safety Webinar for all staff during these unprecedented times. The webinar is designed to guarantee knowledge, awareness and understanding of the Online world, to protect students, teachers, and schools.
